Recessed until March 16th, 2002, 9:00 a.m.

The hour of 9:00 a.m. having arrived, the Town Moderator, Marc P. Tieger, reconvened the Annual Town Meeting of Jaffrey.

Talon Facteau, Jeremiah Padeni and Samuel Rathburn led the Pledge of Allegiance, from Troop 33. After which Mr. Tieger asked everyone to remain standing as he read the following:

"We come together on this day of Town Meeting to meet with friends and neighbors in making decisions that will help guide our Town throughout the coming year. For us as Americans it has been a year of heretofore-unthinkable tragedy. But we were fortunate; we survived September 11, 2001. Many didn't. We pledge never to forget not only those innocents whose lives were so cruelly taken, but also their remaining families and loved ones whose lives will never again be the same. As American armed forces are engaged in conflict our thoughts are with them too, their families and lived ones, as we hope for their swift and safe return.

In our community, too, we have had our sorrows and joys; life given and lives taken. We are faced with continual challenges in our everyday existence, our relationships, our business and civic endeavors, and affairs at this meeting. Let us each be aware of the specialness of our being able to gather today, as free citizens respectful of others, as we strive to exercise the freedom that so many people in the world can't even fathom. Let us take time each in our own way, to reflect on who and where we are today, right now, in the grand design of the world as we know it.

Finally, let us dedicate a moment of silence to two of our own former elected representatives who passed away during the last year, Selectman P. Edward Deschenes and Representative to the State Legislature, Alfred P. Sawyer."

Mr. Tieger then welcomed everyone to the meeting and went over some general announcements and ground rules for the meeting.

Mr. Tieger then asked all those who were on various Boards and departments for the Town to stand to be recognized.

The Chairman of the Board of Selectmen, Michael C. Barlick, was then recognized to speak. Mr. Barlick read the following resolutions collectively:

“Whereas, Richard Olson has served the Town of Jaffrey with honor and distinction for three years as a member of the Board of Selectmen;
“Whereas, Daniel Griffin has served the Town of Jaffrey with honor and distinction for nine years as a member of the Planning Board;
“Whereas, Kevin Hampsey has served the Town of Jaffrey with honor and distinction for four years as a member of the Planning Board;
“Whereas, Philip Tremblay has served the Town of Jaffrey with honor and distinction for twelve years as a member of the Zoning Board of Adjustment;
“Whereas, Elliott Morrison has served the Town of Jaffrey with honor and distinction for three years as a member of the Conservation Commission;”

There was then a round applause.

Mr. Barlick then presented the following resolutions individually:

“Whereas, William Arthur has served the Town of Jaffrey with honor and distinction for seventeen years as a member of the Trustee of the Trust Funds;”

Mr. Arthur accepted his framed proclamation from Mr. Barlick as the assembly gave Mr. Arthur a standing ovation.

“Whereas, Diane Schott has served the Town of Jaffrey with honor and distinction for fifteen years as a member of the Planning Board;”

Mrs. Schott accepted her framed proclamation from Mr. Barlick as the assembly also gave her a standing ovation.

Mr. Barlick then read the rest of the proclamation: “ Now, therefore, be it resolved and proclaimed in Town Meeting convened March 15, 2002, that the town of Jaffrey wishes to express our thanks and sincere gratitude and that this expression of our thanks be made a part of the official record of this meeting.” Signed by the Board of Selectmen.

Chief Pelio expressed that it is bittersweet in leaving, saying that this has been an “outstanding community to work in.” And that Jaffrey has an “outstanding police department”. Chief Pelio thanked the Town Manager for a “professional, working relationship”. He also thanked the Board of Selectmen, he said “they are truly professional people” and that they too had a good relationship working together, “unlike other communities in the state of New Hampshire where there is constant fighting and bickering” and “they make a big difference in how this community is run”. He also praised the town manager form of government and said that it is “impossible to run a community like this without a town manager”. He went on to say that many advances

had been made in the Police Department: training, recruitment, management physolophy, community policing, crime fighting, and progress in traffic enforcement. "The integrity of the department is beyond reproach." And that the motto of the department is, "If all else fails the Jaffrey Police Department will get the job done, without a doubt." Chief Pelio said, "it has been a humbling experience to have served a town such as Jaffrey." He thanked everyone "tremendously" and the "great men and women of the Jaffrey Police Department".

Whereas, the cost of health insurance premiums for New Hampshire families has increased 45% in three years and now averages \$8,500 a year; and,

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and,

Now, therefore be it resolved, that we the citizens of Jaffrey, New Hampshire call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses and health care providers to ensure that:

Business Meeting – March 15, 2003 (9:00 a.m.)**

LAYMAN'S WARRANT

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 11th of March, 2003 at eight o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the town officers and to act on other questions as required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at the adjourned session of Town Meeting on March 13, 1979 and the Town Meeting on March 13, 1993, the business portion of the meeting will be recessed until nine o'clock in the forenoon, Saturday, March 15th, 2003, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by official ballot:

LAYMAN'S LANGUAGE: Please come to Pratt Auditorium between 8 a.m. and 7:00 p.m. on Tuesday, March 11, 2003 to vote for the officers listed in Article 1, and the questions as listed in Article 2. Then on Saturday, the 15th at 9:00 a.m., please return to Pratt Auditorium for the business portion of the meeting.

Art. 1. To choose the following Town Officers: (by Official Ballot)

Selectman - one person for three-year term
Trustee of Trust Funds - one person for three-year term
Library Trustee - two persons for three-year terms

Art. 2. To see if the Town will vote to adopt the following amendments to the Jaffrey Zoning Ordinance, as prepared by the Jaffrey Planning Board, and as submitted by petition, to be voted on by Official Ballot: (The exact text, and related material, of each of these proposed changes is available at the Town Clerk's office and at the polling place.)

1. Are you in favor of Amendment #1 to the Jaffrey Land Use Plan as proposed by the Planning Board which includes in the ordinance the provisions of State law regarding building permits on private roads and Class VI roads?

Yes

No

LAYMAN'S LANGUAGE: A 2002 change in state law provides for building permits on Private Roads, the same as existing procedures for obtaining building permits on Class VI roads. The amendment simply includes both provisions of state law in our ordinance.

2. Are you in favor of the adoption of Amendment #2 to the Land Use Plan as proposed by the Planning Board which makes provisions regarding the establishment of private roads?

Yes

No

LAYMAN'S LANGUAGE: However, the change in state law didn't state what private roads are or how they may be established. This amendment defines private roads and regulates their establishment.

3. Are you in favor of the adoption of Amendment #3 to the Land Use Plan as proposed by the Planning Board to clear up confusing wording regarding the Industrial District?

Yes

No

LAYMAN'S LANGUAGE: The existing wording regarding the Industrial Districts is confusing. This amendment eliminates the confusing wording but makes no change in what is authorized in the Industrial Districts.

4. Are you in favor of the adoption of Amendment #4 to the Land Use Plan as proposed by the Planning Board which amendment accommodates a 2002 change in State law by adding Village Plan Alternatives (VPA) to our existing provisions for Open Space Development (OSD) but makes no other change in the ordinance?

Yes

No

LAYMAN'S LANGUAGE: To conform with a 2002 change in state law, this amendment adds Village Plan Alternatives (VPA) to Jaffrey's existing provisions for Open Space Development (OSDP).

5. Are you in favor of the adoption of Amendment #5 to the Land Use Plan as proposed by the Planning Board requiring, per State law, that any interior lot must have access to an approved street by a minimum of 50 feet owned access?

Yes

No

LAYMAN'S LANGUAGE: Several years ago when provisions for Interior Lots were established the ordinance provided for a minimum of a 50 foot wide access to an approved street by ownership of land or by deeded right of way. Town counsel advises that access by deeded right of way is not authorized by state law. Accordingly, "deeded right of way" is dropped from the provisions.

Art. 3. To see if the Town will vote to raise and appropriate the sum, not to exceed, Six Hundred Fifty Thousand Dollars (\$650,000) for the purpose of acquiring and renovating property to be used as a Jaffrey Child and Family Center. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1, et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may become available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and any other vote relative thereto. The issuance of this bond is contingent upon receipt of a Community Development Block Grant from the State of New Hampshire. Recommended by the Selectmen and the Budget Committee. 2/3 Ballot Vote Required.

LAYMAN'S LANGUAGE: As some may know, there has been an effort to establish a community center in Jaffrey for about 15 years. This effort has been spearheaded primarily by Susan Leach. Her good efforts (and those of everyone else who has worked on this) may come to fruition by the passage of this article. About 2 years ago, a committee began meeting to see where we might find a location for a community center. With the assistance of a feasibility study grant, the committee has focused its efforts on the old Bean Fiberglass building behind the Depot. This was thought to offer a central location, land on which to expand, a sufficiently-sized building, proximity to Children's Woods, and walking distance to the downtown. With this bond, a community development block grant, a generous donation from the Bean Family Foundation, and any other funds which may become available, the dream may come true for Jaffrey to have a much-needed community center!

Art. 4. That all reports submitted by Town Officers be accepted as read and as printed in the Town Report.

LAYMAN'S LANGUAGE: The purpose of this article is simply to accept all reports as printed in the Town Report, and to take the opportunity to discuss them if anyone has a question.

Art. 5. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Police union, AFSCME local 3657 that calls for the following increases in salaries and benefits, this amount is included in Article 9. Recommended by the Selectmen and the Budget Committee.

<u>Year</u>	<u>Estimated Increase in Cost Items</u>
2003	\$32,089

LAYMAN'S LANGUAGE: This article allows for the continuation of the contract as agreed to by the Town and the Police Union, and the payment of the cost items included therein.

Art. 6. Shall Jaffrey, if Article 5 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 5 cost items only?

LAYMAN'S LANGUAGE: This article is a new requirement by law which allows the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 5 should it fail. If Article 5 passes, then this article is passed over.

Art. 7. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Public Works union, AFSCME local 2973 that calls for the following increase in salaries and benefits, this amount is included in Article 9. Recommended by the Selectmen and the Budget Committee.

<u>Year</u>	<u>Estimated Increase in Cost Items</u>
2003	\$5,184

LAYMAN'S LANGUAGE: This article allows for the continuation of the contract as agreed to by the Town and the Public Works Union, and the payment of the cost items included therein.

Art. 8. Shall Jaffrey, if Article 7 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 7 cost items only?

LAYMAN'S LANGUAGE: This article is a new requirement by law which allows the Town to delegate the authority to the Selectmen to call one special town meeting to reconsider Article 7 should it fail. If Article 7 passes, then this article is passed over.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$5,495,066 for the purpose of defraying the cost of the town's operating expenses for the year 2003. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is the article which provides the funds necessary to operate the Town on an annual basis. This includes all salaries, maintenance, supplies and programs which are funded and operated by the Town.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1997 under RSA 35:1, for the purpose of purchasing new or refurbishing existing highway equipment. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: There is approximately \$26,000 in this fund now. It is our goal to continue with this fund to help offset the cost of expensive equipment.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$25,000, and to deposit said sum into the capital reserve fund established in 1996 under RSA 35:1, for the purpose of purchasing new or refurbishing existing firefighting and/or rescue equipment.

LAYMAN'S LANGUAGE: There is approximately \$174,000 in this fund now. It is our goal to continue with this fund to help offset the cost of expensive equipment.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$50,000 and to deposit said sum into the capital reserve fund established in 2002 under RSA 35:1, for the purpose of conducting a town-wide revaluation. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: Under the new law regarding property values, the State has set up a system whereby each town or city in the state will have its property values "certified" by the state. Jaffrey is scheduled for this certification in 2005. It is our goal to have a revaluation commenced in 2004, thereby getting the town's values in line prior to the certification in 2005. The estimated total cost for this revaluation is \$160,000-\$170,000.

Art. 13. To see if the Town will vote to raise and appropriate the sum of \$74,000 to purchase a new dump truck for the Department of Public Works. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The truck which this would replace was purchased in 1994. The body has significant rust and is structurally unsound.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$6,500 to purchase a vote counting machine. Recommended by the Selectmen and Budget Committee.

LAYMAN'S LANGUAGE: Many towns and cities have purchased machines which tabulate the votes automatically. This machine will allow the Town to report election results within minutes of the closing of the polls. Further, it will avoid the need to have people spend hours after the election counting ballots by hand, and will allow the election officials to get home at a decent hour after spending 12 hours at the polls. This will NOT be a used machine from Florida!

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$7,500 to support the VFW Ambulance Service. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This article is an annual request of the Town in order to make donation to the VFW Ambulance Service which provides an incredible service to all the residents of Jaffrey and Rindge at NO charge.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$500, and to deposit said sum into the Gravestone Restoration Trust Fund created in 2000. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Due to the continuing battle the Town has with vandals in the town's cemeteries, our Cemetery Committee has recommended a separate trust fund to be established for the restoration and replacement of gravestones. We want the Town to be aware of the criminal acts some people choose to perform without regard to the privacy of others. Also, beyond the vandalism there is a need to replace some gravestones which have worn out over the years. There is approximately \$7,600 in this fund now.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$4,500 to be deposited into the Town Clock Trust Fund established in 1998. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The clock in the Woman's Club building has required many repairs lately, and will undoubtedly need some major overhaul in the near future. There is approximately \$9,700 in this fund now.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$24,000 to purchase a van for the Recreation Department. Of this amount, \$12,000 is to come from general taxation, and \$12,000 is to come from the Recreation Special Revenue Fund. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: The Recreation Department organizes many trips which are taken to various events in the area. Currently, the Town must rent a bus to provide the transportation for the trips, at a fairly high expense. This van would allow the Recreation Department to provide transportation at a lesser cost to the participants on these trips.

Art. 19. To see if the Town will vote to raise and appropriate the sum of \$6,923.75 for Monadnock Family Services, or take any other action relating thereto. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is a petition article which we receive every year. MFS provides many services to the residents of Jaffrey and entire Monadnock Region, and it is seen as a benefit to the community.

Art. 20. To see if the Town will vote to raise and appropriate the sum of \$17,000 to support HCS – Home Healthcare, Hospice and Community Services to support the continuance of visiting nursing services being provided to the residents of Jaffrey. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: Another petition article which we receive annually and which provides a community benefit to the residents of Jaffrey and the Region.

Art. 21. To see if the Town will vote to raise and appropriate the sum of \$5,000 to help support the work of The Community Kitchen, Inc. in Keene, NH. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

LAYMAN'S LANGUAGE: This is another petition article for support of a non-profit organization.

Art. 22. To see if the Town will vote to raise and appropriate the sum of \$3,494 to help support Southwestern Community Services, Inc., a private non-profit, multi-service, anti-poverty agency. This amount represents 1 per cent of the value of services rendered to Jaffrey residents from July 1, 2001 through June 30, 2002. Submitted by Petition. Recommended by the Selectmen and the Budget Committee.

Art. 28. To see if the Town will vote to amend the Transfer Station/Recycling Ordinance included herein:

LAYMAN'S LANGUAGE: Southwest Community Services provides a number of services in Jaffrey, including the Headstart Program, and housing for lower income families.

Art. 23. To see if the Town will vote to amend its decision from Article 21 of the 1988 Town Meeting regarding the discontinuance of approximately 1,100 linear feet of an unnamed road which intersects with Colls Farm Road and Old Sharon Road. The decision of the 1988 Town Meeting was to discontinue this entire roadway. This was an inadvertent error, and the intent of the Selectmen at the time was to discontinue approximately 700 feet beginning on Old Sharon Road and running west towards Colls Farm Stand, ending just before the parking lot for the Farm Stand. The purpose of this article is to clarify the 1988 decision, and to vote to discontinue approximately 700 feet of this un-named road, leaving 400 feet of Colls Farm Stand Road as a Class V road running from Old Sharon Road eastward to a point just past the Farm Stand parking lot.

LAYMAN'S LANGUAGE: In essence, there was an oversight when this article was passed by the 1988 Town Meeting. In reviewing the records for the construction work which was done last year in this area, it was found that the Town Meeting vote discontinued the entire length of this road. We reviewed the tape recording of this meeting and determined that, as it was presented, only 700 feet should have been discontinued, with the remaining 400 feet to be left as a Class V road. This article will correct the oversight.

Art. 24. To see if the Town will vote to discontinue approximately 800 feet of Old Sharon Road and approximately 75 feet of Colls Farm Stand Road, and a small segment of Pierce Crossing Road as shown on a plan entitled "Relocation of portions of Old Sharon Road and Hadley Road, Layout of Colls Farm Stand Road and renaming of Pierce Crossing Road " prepared by Vorce, Soney and Associates, dated February 12, 2003.

LAYMAN'S LANGUAGE: As a follow-up to the above article, with the new construction which has taken place, this article will discontinue the now unused portions of Old Sharon Road and Colls Farm Stand Road.

Art. 25. To see if the Town will vote to accept the revised Downtown Tax Increment Finance District Financing Plan.

LAYMAN'S LANGUAGE: As a reminder, a Tax Increment Finance District (TIFD) allows for tax money which is generated by the improvements made to property, in a defined area and after a certain date, to be used for designated purposes. Currently, the Downtown TIFD provides a sum of money to TEAM Jaffrey to help support its operations. The revised financing plan is proposed to include money to pay for a Child and Family Center through a bond, rails to trails improvements, pedestrian improvements, a traffic study, a master plan, Park Theater improvements, hydrant repair, lighting and administration.

Art. 26. To see if the Town will vote to accept the revised Stone Arch Bridge Tax Increment Finance District Financing Plan.

LAYMAN'S LANGUAGE: Similar to above, this TIFD provides for payments for the new bridge. The revised financing plan also provides funds for a cistern, a sign and administration.

Art. 27. To see if the Town will vote to allow for the pre-payment of real estate taxes as allowed by RSA 80:52-a.

LAYMAN'S LANGUAGE: Believe it or not, some people want to pay their taxes early! As much as we would like to accommodate these kind folks, state law doesn't allow us to collect taxes early without passing this article.

TOWN OF JAFFREY

Article I
TITLE

This ordinance is entitled and may be referred to as the "Transfer Station/Recycling Ordinance of the Town of Jaffrey, New Hampshire."

Article IX SEVERABILITY

If any provisions of this Ordinance or the application of such provisions to any person or circumstances shall be held invalid, the validity of the remainder of the Ordinance and applicability of such provisions to other persons or circumstances shall not be affected thereby.

Article X EFFECTIVE DATE

This ordinance shall be of full force and effect on June 1, 2003 following its enactment by the 2003 Town Meeting.

LAYMAN'S LANGUAGE: After months of debate on how to reduce the town's expenses in disposing of waste, we propose this ordinance to restrict use of the facility to residents and non-resident property owners who live in Jaffrey a portion of the year, and as a means to recoup some of the costs the Town incurs to dispose of waste.

Art. 29. To see if the Town will vote to rescind the adoption of RSA 261:153.V (as adopted by the 1990 Town Meeting) which allows for the collection of fees by the Town Clerk which are used for the disposal of tires, oil and automobile batteries.

LAYMAN'S LANGUAGE: As a result of the revised ordinance above, this article would have to be passed to remove the fee paid when vehicles are registered in order to ensure equity with the new ordinance.

Art. 30. To see if the Town will vote to allocate 75% of the money received from the land use change tax to the Town's Conservation Fund for the purpose of land conservation and/or relevant conservation-oriented activities. Submitted by petition.

LAYMAN'S LANGUAGE: Currently, all funds from the land use change tax go to offset the amount of funds necessary to be raised through the property tax. This proposal would take 75% of those funds to be used as stated in the article.

Art. 31. To see if the Town will vote to sever its ties with Rindge by withdrawing from the Jaffrey-Rindge School District. Submitted by Petition.

LAYMAN'S LANGUAGE: By state law, towns can withdraw from a cooperative school district by two different methods. One is that the school board votes to undertake a study of the feasibility and suitability of the withdrawal of one or more member towns. The other is through a town meeting whereby one town directs the school board to undertake the same study as described above. The procedure, after either method

above is approved, is for a committee to be formed, represented by members of the school board and selectmen from each town. The committee then studies the issue, and within 120 days after the date of the committee's formation, presents a report to the state board of education. The report would include a recommendation to either continue the district as currently exists, or recommend the withdrawal of one or more towns from the district, with a plan included as to how the dissolution would take place. This article would initiate that process. A similar study was done in 1999 and recommended no change to the current district formation.

Art. 32. To see if the Town will vote to adopt the following resolution submitted by petition:

Whereas, New Hampshire residents pay the 12th highest cost for insurance in the country; and,

Whereas, the cost of health insurance premiums for New Hampshire families has increased 45% in three years and now averages \$8,500 a year; and,

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and,

Whereas, due to the rising costs almost half of New Hampshire's small businesses cannot afford health coverage for their employees;

Now, therefore be it resolved, that we the citizens of Jaffrey, New Hampshire call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses and health care providers to ensure that:

Everyone in New Hampshire, including the self-employed , unemployed, un- and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;

Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;

Every family and individual in New Hampshire receives high quality care that is cost efficient and medically effective; and

That these efforts help control the skyrocketing cost of health care.

LAYMAN'S LANGUAGE: There's not much more to add here.

Art. 33. To take up any other business which may come legally before this meeting.

Given under our hands in the Town of Jaffrey, this 10th day of February 2002.

**INDEFINITE
DELEGATION
OF
AUTHORITY**

INDEFINITE DELEGATION OF AUTHORITY BY THE TOWN TO THE BOARD OF SELECTMEN AND LIBRARY TRUSTEES

Prior to 1999, a number of articles appeared on the Town Warrant each year delegating specific powers to the Board of Selectmen and the Library Trustees. These articles are usually referred to as “boilerplate articles.” During the 1999 annual meeting, Jaffrey’s citizens voted (Articles 32-38) to “authorize indefinitely, until specific rescission of such authority” the Selectmen and the Library Trustees to undertake various actions and, therefore, to no longer include these articles on future Town Meeting Warrants. The Town of Jaffrey now has seven such warrant articles, which are listed below for your reference:

1) ACCEPTANCE OF GRANTS

Shall the Town accept the provisions of New Hampshire *Revised Statutes Annotated (RSA)* 31:95-b, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from federal, state, or other governmental agencies or a private source that becomes available during the year?

2) ACCEPTANCE OF GRANTS BY LIBRARIES

Shall the Town accept the provisions of NH *RSA 202-A:4-c*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to apply for, accept, and expend without further action by the Town Meeting, unanticipated money from a federal, state, or other governmental unit or a private source that becomes available during the year?

3) TAX ANTICIPATION NOTES

Shall the Town accept the provisions of NH *RSA 33:7*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

4) ACCEPTANCE OF GIFTS, LEGACIES, AND DEVISES

Shall the Town accept the provisions of NH *RSA 31:19*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept on behalf of the Town gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by this statute?

5) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY

Shall the Town adopt the provisions of NH *RSA 31:95-e*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to accept gifts of personal property that may be offered to the Town for any public purpose? The Selectmen must hold a public hearing before accepting such a gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment.

6) ACCEPTANCE OF GIFTS OF PERSONAL PROPERTY BY LIBRARIES

Shall the Town adopt the provisions of NH *RSA 202-A:4-d*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Library Trustees to accept gifts of personal property that may be offered to the Library for any purpose; provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such personal property?

7) TRANSFER OF TAX LIENS AND SALE OF TAX DEED PROPERTY

Shall the Town adopt the provisions of NH *RSA 80:80*, providing that any town, during an annual meeting, may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to dispose of property acquired by Tax Deed by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest, and expenses, or to sell said property at public auction, or to otherwise dispose of property as justice may require?

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Jaffrey, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Jaffrey, New Hampshire, as of and for the year ended December 31, 2001, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Jaffrey, New Hampshire's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Town officials, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group, which should be included to conform with accounting principles generally accepted in the United States of America. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the third paragraph, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Jaffrey, New Hampshire as of December 31, 2001 and the results of its operations and the cash flows of its proprietary fund types for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Jaffrey, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE ALICE POOLE FUND COMMITTEE

During the year 2002, we made contributions to the VFW memorial Ambulance Service, Jaffrey Fire Department, Jaffrey Women's Club Dental Program, Monadnock Community Day Care Center, and the Jaffrey Food Pantry.

We sponsored 18 young children to attend summer camp offered by the Jaffrey Recreation Department, and we approved one student loan.

We continue to purchase magazine subscriptions for the Good Shepherd Nursing Home and provide small gifts to local residents living there. Many of the elderly Jaffrey residents were remembered with small gifts, usually in the form of gas cards and small checks.

Gift certificates for food orders were purchased from Market Basket, and certificates for clothing were purchased from Wal-Mart. The certificates were distributed during the Holiday Season and at other times during the year.

As usual, the Alice Poole Fund Committee continues to spend all of the interest received from the Alice Poole Fund in accordance with the will of Alice Poole.

Respectfully submitted,

REPORTS

**BOARDS, COMMISSIONS,
AND COMMITTEES**

REPORT OF THE BOARD OF SELECTMEN

It seems it would not be a Selectmen's Report without discussing our perennial dilemma of working to upgrade our wastewater treatment system per Administrative Order of the State of New Hampshire Department of Environmental Services (DES) and the Environmental Protection Agency (EPA). Last year, we told you that we had secured \$1-million in federal money toward our compliance upgrades. Well, after the exploration of several options (none of which have yet been found acceptable), we have spent down nearly all of the \$1-million in engineering and testing, and we have yet to find an acceptable solution. Our most recent option of rapid infiltration, which seemed promising last year, is now less promising, and we have not found land nearby our sewer treatment plant that is deemed acceptable for a rapid infiltration system. In an effort to procure help with financing or relaxation of the very stringent rules, we have contacted Senators Gregg and Sununu and Congressman Bass. We could be looking at a price tag of \$9-to-\$10-million with perhaps only 30% in aid from grants. These unfunded mandates are devastating to a community the size of Jaffrey.

On the positive side, we are proud to say that a major infrastructure improvement was completed this year paid for entirely with Tax Increment Finance District (TIFD) funds. The Stone Arch Bridge Industrial Park now has a new, much improved bridge named the "Peter B. Davis Bridge." Peter was the driving force behind the adoption of our two TIFD districts and, as Economic Development Director, proposed and saw this major infrastructure project through completion.

We continue to work with other towns in the area whenever possible to save money and provide better services to all our citizens. We are part of a seven-town consortium working to negotiate a new contract with Adelphia Cable Systems. We have appointed Charles Hamilton and Peter Keating as our representatives to the consortium. The new contract could give us the ability to broadcast live Board meetings (*e.g.*, Selectmen, Planning Board, Zoning Board of Adjustment, Budget Committee, *etc.*). It could also reduce the density requirements per mile for extension of cable service.

This year we said "good-bye" to three long-time, valued department heads — Police Chief Robert Pelio, Fire Chief John (Jack) White, and Economic Development Director and former Selectman Peter Davis. Our best wishes are extended to all three for happy and well-deserved retirements.

We want especially to extend our thanks to all our committees and boards for the hours of dedication and service to our community. There are more than 60 citizens donating their time to help navigate the ship.

To our staff, under the leadership of Town Manager Jonathan Sistare, and our Town departments of Police, Public Works, Recreation, Fire, and Library, we say, "Thank you."

REPORT OF THE CEMETERY COMMITTEE

The Cemetery Committee was established in 1998 to advise the Town on the operation, maintenance, and preservation of Jaffrey's public cemeteries: Conant Cemetery, The Old Burying Ground, Cutter Cemetery, Phillips-Heil Cemetery, and the Village (Baptist) Cemetery. It is composed of representatives of the local chapters of the American Legion and Veterans of Foreign Wars, the Historical Society, Cournoyer Funeral Home, the Board of Selectmen, and three appointed Members at Large. Town employees Rick Forcier and Peachie Chalke assist the Committee in their work.

In 2002, there were five full burials in the Conant Cemetery, one in Phillips, and one in Phillips-Heil. There were nine cremation interments in Conant and two in the Old Burying Ground. There was one disinterment from the Old Burying Ground. Two double-burial lots were sold in Conant and one double in Phillips-Heil. One cremation site was sold in Cutter. There are 360 double-burial lots available for sale in Conant and 87 doubles in Phillip-Heil. 23 cremation sites are available in Conant, 22 in Phillips, and 30 in Phillips-Heil.

During 2002, the Cemetery Committee met several times with Town staff to discuss operation, budget, and maintenance issues.

This past season was the first in which all grass cutting, leaf raking, and grounds maintenance was contracted out rather than being done by Town workers. The Committee was not alone in its skepticism over the advisability of "privatizing" this important work. There were some difficulties at the outset, but performance did improve as the contract period proceeded through the summer. The Committee has not taken a position on whether cemetery maintenance should continue to be contracted out.

Perhaps this year's most significant and welcomed development in the town's cemeteries was the Eagle Scout project undertaken by Jason Conroy. With the help of many scouts and adult volunteers, Jason improved Jaffrey's most central (and least known) cemetery — the Village (Baptist) Cemetery on Turnpike Road just east of the Post Office. The old hearse house was repaired and repainted, the long-missing wood rails of the granite post fence were returned, and a well-constructed wood double entrance gate replaced the chain link gate. It is a vast improvement and makes the cemetery far more welcoming.

The Committee has begun a review of Jaffrey's *Cemetery Rules and Regulations*, which have remained unchanged since their adoption in 1993. Prices for plots and for opening graves will be examined in light of the present-day costs incurred by the Town, and recommendations will likely be made to the Selectmen for changes. The Committee also hopes the ordinance can be simplified and shortened. As part of this process, the Committee intends to issue a summary brochure that will highlight what the Rules and Regulations have to say about (among other things) the size, design, care, and decoration of grave sites.

In 2003, the Town will launch the most ambitious gravestone repair project yet attempted in Jaffrey. 23 broken and otherwise injured stones have been identified for repair. Funds for this important preservation activity have been set aside in a special trust fund at recent Town Meetings. Additionally, volunteers will straighten the many leaning stones, the largest number being in The Old Burying Ground.

The Committee will be looking for ways to expand and improve cemetery record keeping, perhaps by using volunteers. Knowing whether an individual is buried in Jaffrey and, if so, in which cemetery and where in that cemetery is not always simple to determine and usually depends on the "institutional memory" of Town workers, funeral directors, and memorial makers.

REPORT OF THE CONSERVATION COMMISSION

The year 2002 was a transition year for the Conservation Commission. Bill Elliott, who had served the Town for several years as our Chairman, moved to Hancock this past Spring. His duties were taken up by Brenda Bhatti and Alex Gutterman, who now co-chair the Commission. Bud Morrison also stepped down. We thank both Messers. Elliott and Morrison for their untiring efforts towards conservation and open space preservation in the area.

In the latter part of the year, Nora Barton Bryant, Ron Rogstadt, and John Zimardo joined us. Conant High School Sophomore Brian Gentle is also on board, our first intern.

Highlights of 2002 activities are below:

- The sponsorship of local school children attending an environmentally focused summer camp.
- Tours of Town forests, which, when logged, supply the conservation fund with cash input.
- Development of several proposals for monitoring potential environmental hazards within the town.
- Response to citizen queries on land use, endangered species, and other relevant issues.
- Outreach to various civic bodies in an effort to coordinate activities more closely.
- Planning of environmental activities and participation in community days.
- Funding of Milfoil reduction in local waterways.
- Coordination with State naturalists on invasive plant removal.
- Initiation of high school intern program.
- Attendance at Planning Board meetings and property walks, providing feedback on subdivision proposals, where appropriate.
- Preparation of a Warrant Article for the 2003 Town Meeting, which, if accepted by the public, will raise funds for conservation land purchase inside town boundaries.

The members of the Conservation Commission look forward to serving their Town in 2003.

REPORT OF THE ECONOMIC DEVELOPMENT COUNCIL

In October 2002, Peter Davis stepped down as Coordinator for the Economic Development Council (EDC) due to retirement. Pete is known as an excellent planner, a hard worker, and a man of integrity. We thank him for all he has done for the Town of Jaffrey, and we hope he can pay us a visit soon. Brandon Gray has been selected to succeed Pete.

Jaffrey's economic climate made great strides in 2002. The value of our infrastructure is growing, resulting in a 104% income increase for the Downtown Tax Increment Finance District (TIFD) and a 43% income increase for the Stone Arch Bridge TIFD. These increases, combined with funds that have accrued over time, will enable the return of over \$170,000 to the Town's General Fund.

The past year saw significant expansions for Millipore and Belletete's, Inc., the signing of a purchase and sales agreement for development of the Jaffrey Mills, and the rebuilding of the new Jaffrey/Peterborough District Court-house. Jaffrey's downtown business occupancy rate is approaching 100%. New additions to the downtown area include O'Brien's Food & Spirits, LLC, Country Bridals, Bellows & Nichols Insurance, Janitors' Warehouse, and Family Glass. It was announced this past year that Jaffrey was voted outstanding New Hampshire Main Street Community for 2001. The major obstacle to future growth continues to be the failure to resolve the school building issue. The EDC plans to continue its efforts to help facilitate a resolution to this issue.

EDC projects for 2002:

- With funds from the Stone Arch Bridge TIFD, a new bridge (named the "Peter B. Davis Bridge") was constructed on Hadley Road to facilitate the large volume of trucks traveling to and from the Industrial Park.
- Development of new finance plans is under way for both TIFDs that provide funding for needed projects while returning significant revenue to the General Fund. Among the proposed projects contained in these plans for 2003 is the establishment of a new "Jaffrey Child and Family Center" as well as a cistern to provide fire protection for the Stone Arch Bridge Industrial Park.
- A Community Development Block Grant (CDBG) application to fund replacement of water lines for the Duval Cooperative Mobile Home Park was a success, with work due to be completed by Summer 2003. A CDBG feasibility study application to study the water and sewer infrastructure of Forest Park Estates Mobile Home Park was also successful. It is anticipated this study will lead to the implementation of needed improvements sometime in 2004.
- A "visioning" exercise for downtown Jaffrey was undertaken to plan better for future development. A traffic engineering firm will be hired to study solutions to our downtown traffic problems based on this exercise.
- An Economic Development Plan for the Town has been drafted and was revised continuously throughout the year. A final draft will be complete by Spring 2003.

As the Economic Development Council continues to explore new and better ways to help continue Jaffrey's economic growth, we look forward to the coming year and the opportunities it will bring.

REPORT OF THE HISTORIC DISTRICT COMMISSION

Jaffrey's Historic District Commission was established by the citizens in 1969 to safeguard the heritage of Jaffrey Center by: (a) preserving a district that reflects elements of its cultural, social economic, political, and architectural history; (b) conserving the property values in the district; (c) fostering civic beauty; and (d) promoting the use of an historic district for the education, pleasure, and welfare of the citizens.

In the year 2002, your Historic District Commission met eight times to review five applications, of which all were approved, and other business relating to the Commission's ordinance to "regulate the construction, alteration, painting, moving, demolition, or use of structures and places" within the district. In meeting our responsibilities, the Commission held special site visits and communicated with other Town Committees.

The Commission cosponsored a July 4, 2002, reading of the *Declaration of Independence* in Jaffrey's Meeting House followed by an Ice Cream Social at Melville Academy and a walking tour of the Historic District. It was well received by Jaffrey's residents as well as many people attending from surrounding towns. We will continue to cosponsor this annual event.

The Historic District Commission worked with T.E.A.M. Jaffrey through a grant from the National Park Service and State of New Hampshire Division of Historical Resources, and a portion of downtown Jaffrey was successfully designated an historic district and listed to the National Register of Historic Places in June 2002.

The Commission extends its appreciation to Helen Cox, David Lang, and Joanne Buck for their years of service as Commission members, and we welcome Rachel Soney, Giles Lowe, and Peter McLaughlin to the Commission.

All residents are reminded that the Historic District Commission's monthly meeting begins 7:00 p.m. the first Thursday of each month (Winter in the Town Office Meeting Room/Summer in the Meeting House).

REPORT OF THE LIBRARY TRUSTEES

The year 2002 ended with Jaffrey's Public Library hitting an all-time high for material circulation. We achieved an 8% increase over last year for a grand total of 44,425 circulated items. This is a fantastic increase for a library basically using resources and staff that have not dramatically increased in the past ten years. Thanks to all of you who continue to visit us and to check out books, audios, videos, and puppets. Part of our increase may be due to more traffic through the library caused by the publicity and availability of Internet access, children's programming, and expansion of the audio book and large print collections.

We have added several new services during 2002. We now do monthly deliveries of videos and books to the Good Shepherd Nursing Home. We also provide home delivery to several homebound patrons. If you know of someone in need of this service, please give the Library a call. Thanks to a donation from the Homer Belletete Fund, museum passes to the Montshire Museum, the Currier Art Gallery, and the Christa McAuliffe Planetarium are available to be borrowed.

The New Hampshire State Library has provided us with access to several excellent databases. Trying to find out about your family history? *AncestryPlus* provides us with access to more than 1-billion names, more than 3,000 databases, and a variety of genealogical research features. *AncestryPlus* must be used at the Library, and we invite you to come in where we will get you started. *EbscoHost*, a periodical reference database, can be accessed from the Library or from your home computer.

The Children's Library continues to provide exceptional service to the community. 138 programs were offered with 2,556 people attending, an average of over 200 people per month! Programs included pre-school storytimes, toddler laptimes, story and activity sessions for school-aged children, and cultural events for families. The Fantasy Book Club for grades 5 to 7 is still active and meets monthly. The Summer Reading Program had 120 children participating, reading 1,776 books, for a grand total of 83,103 pages. "Lions, and Tigers, and Books! Oh, My!" was a great success.

Community outreach continues as Head Start and other groups visit the Library. We saw an increase in the number of classes visiting from local schools. We encourage school classes to visit our facility, and students who are not residents of Jaffrey but attend school here are offered library card privileges.

The Library is thankful for the many donations we received during the year. Gift funds allowed us to purchase additional books, audio books, read-along sets, and to present programs that further enhance our services. Many individuals also continued to support the Library by donating a book in the Fifth Annual "Adopt-a-Book" program. The Friends of the Library, with their creativity and hard work, helped the Library expand the number of programs we provide for the adults in the community. Thanks also to Bill Johnson who has built a real following for our film series.

In closing, we wish to recognize the many people who make this library an important and helpful part of the community, our staff, our weekly volunteers, the Friends of the Library, and you, the people of Jaffrey.

Thanks for your support!

REPORT OF THE MEETING HOUSE COMMITTEE

The Meeting House Committee advises the Town on matters pertaining to the use and maintenance of Jaffrey's historic Meeting House.

The Meeting House served as a venue for many events between May and October: Amos Fortune Forum (seven meetings), Monadnock Music (two free concerts), Conant High School's annual Shakespeare Festival, the annual First Church Fair, seven weddings, one memorial service, the annual meeting of the Thorndike Pond Conservation Association, and five meetings of Jaffrey's Historic District Commission.

The Meeting House Committee, along with Jaffrey's Historical Society, the Village Improvement Society, and the Historic District Commission, cosponsored a July 4, 2002, noontime reading of the *Declaration of Independence*, an event that was premiered in 2001. The Meeting House was (again) full, and the 38 volunteer readers did a marvelous job. This is now an annual town event, and all are invited to attend and to participate.

The Meeting House Committee made thorough inspections of the Meeting House April 30th and November 6th. Between these two dates, a significant number of projects were undertaken, sometimes by members of the Committee and at other times by volunteers or contractors, including: inspection and serving of the tower clock; removal of debris from the basement; installation and painting of new screen doors (for code compliance); rekeying and replacement of door locks; exterior lighting repair; mapping of electrical circuits and some rewiring; scraping and painting of the south façade and portions of the tower; installation of a replacement stage curtain and new travelers; and numerous cleaning and tidying tasks. The largest and most involved undertaking was the installation of a fire alarm system and the burying of the necessary telephone service. We look forward to this system giving the Meeting House protection and giving those who love it peace of mind for many years to come.

For major projects next season, the Committee has recommended additional exterior painting and the start of a multiyear program to replace crumbling or missing window glazing compound.

The Committee members wish to thank George Cox (the tower clock winder) and his protégé, Charlie Marvin, for the expert attention they give to the tower clock throughout the year. And special thanks are due Mary Payson for her donation, in memory of John Batiste, of American and New Hampshire flags, which now stand beside the stage.

The Committee was pleased to recommend to the Town that unused and obsolete stage lighting equipment be donated to Andy's Summer Playhouse, which reports that it has been put to good use.

The calendar for next season is beginning to fill. Other than the usual events, four weddings have already been booked. These benefit the Meeting House through rental fees.

REPORT OF THE ADVISORY COMMISSION

The Monadnock Advisory Commission is charged by the State of New Hampshire under *Revised Statutes Annotated (RSA) 258:1* to advise and guide the Department of Resources and Economic Development (DRED) on the management of their lands and leased lands for the Society for the Protection of New Hampshire Forests (SPNHF) and the Town of Jaffrey. The lands are located on Mount Monadnock, Gap Mountain, and Little Monadnock Mountain (Rhododendron State Park).

For the past two years, the Monadnock Plan Steering Committee, appointed by the State of New Hampshire Department of Resources and Economic Development's Division of Parks, has met on a monthly basis to develop a Master Plan for Monadnock State Park and environs that would "balance the needs for recreation, conservation, education, and financial stability."

During a November 20, 2002, meeting in Jaffrey's Civic Center, this Steering Committee passed their plan on to the Monadnock Advisory Commission for conclusion and implementation. In the early months of 2003, the (draft) Monadnock Master Plan will be made available for public comment on the State of New Hampshire Department of Resources and Economic Development Division of Parks' Internet website (www.nhparks.state.nh.us), in local newspapers, in Monadnock Advisory Commission Town offices and libraries, and during public information sessions. The final plan is expected to be complete by the end of June 2003.

Citizens are encouraged to contact their commission members with suggestions and comments.

REPORT OF THE T.E.A.M. JAFFREY

"Together everyone accomplishes more" was certainly proven true in 2002. The more than 130 volunteers of T.E.A.M. Jaffrey had an extremely productive year. The committees' work on the four points of the program: (1) design, (2) promotion, (3) organization, and (4) economic restructuring all had significant achievements.

The first quarter opened with the publication of our annual newsletter, *Talk of the Town*, our first attempt at "Winter Carnival" (no snow!), the Easter "Eggstravaganza," and the formation of the Park Theater Feasibility Study Committee. Moving into Spring, new downtown street signs appeared, Spring Cleanup was conducted, downtown plantings along the river and in front of the Bean Block were expanded, "Riverfest II" held, our second-phase fund raising campaign conducted, and The First Annual Garden Tour inaugurated. Last Summer, T.E.A.M. Jaffrey was the organizer of the new and expanded "Jaffrey Summer Concerts" on the Common (matching local sponsors with Arts Grants). We received word of the listing of the Downtown Jaffrey Historic District on the National Historic Register. We participated in the Arts Strolls, and we sponsored a new event, The Friday Night "Blake Street Bash." Working into Fall, T.E.A.M. Jaffrey sponsored "Scarecrows on the Common III," "Trick or Treat on the Town III," published a new "Downtown Jaffrey Directions Map" in cooperation with local merchants, finished a nine-month-long merchant cooperative advertising program, and secured an option to purchase the Park Theater.

Throughout the year, volunteers attended training sessions in Durham on "Design and Economic Restructuring," attended the "New Hampshire Downtown Conference," and represented Jaffrey at "National Town Meeting" in Fort Worth, Texas. Perhaps the two most significant achievements were the recognition of Jaffrey as the "Outstanding New Hampshire Main Street Community of 2001" in May and nearing 100% occupancy of available commercial retail space in late Fall. Also in the Fall, Jaffrey was nominated for the coveted "Great American Main Street Award." These awards are not presented to the local program, but are a recognition of the community as a whole for its actions and dedication to improving its downtown. Without the support and participation of the community, no Main Street revitalization can ever be successful.

In closing, many thanks must be extended to those residents, businesses, friends, and neighbors who have spent over 33,000 hours volunteering to make downtown Jaffrey a better place to work, shop, live, and play. It would be an impossible job without you.

As we look forward to 2003 and more projects, there is always room for more volunteers on any of our committees and in any capacity for as much or as little time as you can give. Help us to grow and get the job done!

On behalf of T.E.A.M. Jaffrey

REPORT OF THE TOWN MANAGER

In 2002, we said "Happy Retirement" to three long-standing Town employees:

Pete Davis, who worked in many positions but most recently as our Economic Development Director, retired in October and moved to Florida. Pete initiated many economic development projects that will have a long-lasting effect on this town. Besides being a dedicated person to his community and a pleasure to work with, Pete's greatest legacy may be that he will be known as the man who brought Kimball's Ice Cream to Jaffrey!

Fire Chief Jack White retired in September. Jack worked as a firefighter on a call basis for over 30 years, working his way through the ranks to Chief. When the Chief's position was moved to full-time, Jack filled that role for two years before he announced his retirement plans. In all, Jack dedicated 38 years to Jaffrey as a firefighter. We knew he would be a difficult person to replace, and it took us nearly six months to find a replacement for Jack. We were finally able to let him retire in September, just in time to enjoy two months of golf before the season ended!

Police Chief Bob Pelio announced his retirement during the 2002 Town Meeting, and he retired at the end of June. He and his wife moved west to San Diego, California, to enjoy their role as grandparents. Bob worked for our Police Department for 17 years, rising through the ranks from Patrol Officer to Chief. Throughout his years in Jaffrey, Bob touched many lives. He has a warm and caring heart, and many of the victims of crimes felt comfortable knowing Bob was there to help in their time of anguish.

While we will miss these three individuals in our daily routine, we have welcomed three new employees to replace them. Brandon Gray, who served with us as an Intern while in graduate school, has replaced Pete as the Economic Development Director. Brandon has a Master's Degree in Public Administration from the University of New Hampshire. Martin Dunn was hired to replace Bob Pelio as the Police Chief. Marty spent 28 years as a police officer in New Jersey, and he brings a lot of experience to Jaffrey. Frank McConnell replaced Jack as the Fire Chief. Frank hails from Providence, Rhode Island, where he retired as a Captain from the Providence Fire Department after 22 years of service.

In the Selectmen's Report, you will note the ongoing effort to find a solution for the wastewater treatment upgrade requirement. This is the most frustrating project we have currently. The Environmental Protection Agency's (EPA) requirements are simply too extreme and result in a project that could reach \$10 million. This is crazy. We have written our congressional delegation for help. Any letters you may wish to write would be most helpful as well.

As I write this report, our Public Works Department crews are in the midst of cleaning up from a slew of winter storms. They do an outstanding job, as do all the Town's employees at whatever responsibility they have to perform services for the residents of Jaffrey. Thanks to all of them.

REPORT OF THE FIRE DEPARTMENT

Jaffrey's Fire Department has experienced an increase in calls over the last year. We responded to 233 calls for service:

JAFFREY FIRE DEPARTMENT CALLS FOR 2001

Motor Vehicle Accidents	52	22%
Fire Calls: Structure	6	3%
Fire Calls: Non structure	45	19%
Automatic Alarms	48	21%
Mutual Aid to Surrounding Communities	33	14%
Brush Fires	4	2%
Service Calls and Assistance to Other Agencies	33	14%
Hazardous Materials Incidents	12	5%
TOTAL CALLS	233	100%

Fire apparatus is in relatively good condition. Our 1981 GMC tanker is continuing to show its age. As a result, I am requesting the addition to the capital reserve fund be continued. The department is expecting to form a truck committee to explore a possible replacement at the best price available.

We have added two new firefighters to the roster this past year. Ongoing training of these two new members, as well as the other firefighters, continues to be a priority. Throughout this past year, turnout of members per call has remained high. Firefighter dedication to the community and to life safety accounts for this high turnout.

Inspection of commercial and residential apartment property remains an ongoing concern of the Fire Department. This past year, letters have been sent to numerous apartment property owners to determine their compliance with National Fire Protection Association (NFPA) Life Safety Codes. As always, the Fire Department is committed to assisting all property owners in complying with the codes to ensure the safety of all who work and live within the Town of Jaffrey.

During the Year 2002, the firefighters have held several fund raisers to support the Fire Department and its needs. The monies garnered through their efforts have gone to purchase new attachments for the vehicle extrication equipment. This equipment is used to aid in the rescue of people trapped inside of vehicles after an accident. In addition, strobe lights for nighttime ice rescue have been purchased using the money earned from the various fund raisers. With the support of the townspeople, Jaffrey's Fire Department has been able to have numerous, successful fund raising activities.

Thank you to the Town of Jaffrey for giving me the opportunity to lead Jaffrey's Fire Department as Chief. I am honored and proud to serve this department, whose members I have found to be dedicated and professional in carrying out their duties. My family and I look forward to being a part of this community for many years to come.

I want to wish Jack White a happy and healthy retirement, as well as thank him for his invaluable guidance when I first started. He served the community of Jaffrey proficiently and professionally for many years, and I am sure he will be greatly missed by both the community and his firefighters.

At this time, a temporary treatment plant for soil vapor extraction and an air sparging system are being installed. The second problem has had the burned out building stripped of hazardous waste, and the building debris has been taken to a secure landfill. Approximately 700 tons of polluted soil were excavated and removed from the site, and monitoring wells and gas monitoring wells have been installed.

REPORT OF THE OVERSEER OF PUBLIC WELFARE

Welfare/General Assistance for 2002 was very similar overall to 2001. Requests for assistance were slightly lower than the previous year, which resulted in a small surplus. Requests for assistance with groceries and utilities were down significantly (39.67% and 93.53% respectively). The drop in food assistance is attributable to the Town's support for The Community Kitchen and its support for local food pantries. The reduction in utility cost (mostly Public Service of New Hampshire) comes as a result of programs to offer discounted electric rates to lower-income families. Another factor in lower utility expenditures was the unusually mild winter weather, which translated into reduced demand for heating oil.

Also encouraging is the fact that requests for housing assistance, although still the single largest component of the Welfare budget, rose less than 1%. The lack of and the need for affordable housing still remains and will continue to drain your local assistance program of significant funds.

The one program that needs to be closely monitored is the rapid increase in requests for assistance with prescription drugs. From 2000 to 2002, spending in this category has increased over 88%. Late in 2001, the Town was able to negotiate a substantial discount with our principal vendor (Rite Aid), which will help to contain this cost.

REPORT OF THE POLICE DEPARTMENT

At mid year, Robert Pelio, a veteran Jaffrey police officer and Police Chief for several years, retired. Another veteran police officer, Master Patrolman Jeffrey Proulx, also retired.

With increased demands placed upon local law enforcement agencies resulting from homeland security efforts, the members of the Police Department are faced with many new challenges in addition to traditional ones. Dedicated to the oath of office each has sworn, these officers face these challenges with enthusiasm and provide the police services the township requires.

On June 24, 2002, I was appointed Police Chief after serving 28 years in law enforcement in New Jersey. With the assistance of Lt. Carpenter and Administrative Assistant Denise Chatel, I successfully completed my transition into Jaffrey's Police Department as smoothly as possible, picking up where the former Chief had left off on several projects and introducing a few others of my own.

Scott Perrine was hired in September to fill the open police officer position. After completing training, he will become fully functional in early 2003.

My highest priority is to develop a true community policing initiative that is embraced within the Police Department and the community at large. Judging by the support demonstrated during my tenure, I am very much encouraged this will be achieved.

Of the ideas we hope will produce favorable results include a redeployment of personnel that allows for a more diverse assignment of supervisory officers and a significant reduction in overtime costs. The replacement of a traditional police vehicle with a four-wheel-drive vehicle is also expected to improve police services in the future. Also worth mentioning is the effort taken to reintroduce qualified and experienced officers to serve in a part-time capacity to further reduce overtime expenses, while offering additional coverage during critical events.

The challenges being faced by each member of this agency will be significant during 2003. More than 73% of the officers in Jaffrey possess college degrees, and all officers have completed advanced training in various topics qualifying the agency as a whole to respond to any police-related call for service. Not only are these officers capable of meeting the challenges placed before them, they are willing to face them in a dedicated and enthusiastic manner.

As your Police Chief, I look forward to helping them do so. I call upon the people of Jaffrey to help us in our collective assignment to help you enjoy safe lifestyles as you live, work, or play in this wonderful community.

Respectfully submitted,

Martin J. Dunn
Police Chief

REPORT OF THE PUBLIC WORKS DEPARTMENT

Cemeteries/Parks and Commons Division: In 2002, the Town contracted out most of the Parks and Commons functions, including landscaping maintenance of the Town's cemeteries. The Town performed several full-body and cremation burials.

Highway Division: A new bridge was constructed at the Pierce Crossing/Hadley Road Bridge location by the low bidder (E. D. Swett, Inc.) for a cost of \$409,836.00. The new bridge was named the "Peter B. Davis Bridge." The old stone arch bridge was left in place immediately adjacent to the new bridge. The Public Works Department's Highway Division constructed the approach roadways for the new bridge. The new bridge and roadways required the transfer of small portions of land between the Town and private property owners. The reconstruction of 1,800 linear feet of Ingalls Road was subsequently completed (by Frank Whitcomb Construction Corporation), including the placement of a base course of asphalt. The Highway crews performed maintenance on over 64 miles of Town roads. A new sweeper/ vacuum truck and a new snowblower were purchased.

Solid Waste/Transfer/Recycling Division: Material received at the Transfer Station in 2002 included the following approximate amounts: 750 tons of compactor trash (vs. 823 tons in 2001) and 600 tons of construction demolition debris (CDD) (vs. 527 tons in 2001). The 2002 CDD amount reflects a surge in construction activity. In September, the Selectmen and the Town Manager clarified the tire disposal policy to prohibit the disposal of tires brought in to the Transfer Station in commercial vehicles. In October, the Selectmen held an informal meeting on a "Pay-as-you-throw" concept for possible future consideration of such a program for the Town of Jaffrey.

Sewer Division: The wastewater processed by the Town averaged approximately 238,000 gallons per day for the Year 2002. As required by the State, the Town initiated Phase I of the upgrade of the existing wastewater treatment plant. The Phase I construction contract was awarded to the low bidder (Weststate Construction Corporation) to remove the sludge from the lagoons and replace the aeration diffusers. The amount of sludge encountered exceeded the estimates of the State's and the Town's engineers, requiring the Phase I project to be expanded and continued into 2003. In attempting to develop a suitable Phase II upgrade of the wastewater management/disposal system, the Town's consultants did further soil and groundwater studies, but they did not find a suitable site for rapid infiltration disposal of treated wastewater. Under Federal and State orders, the Town is continuing its studies for the Phase II upgrade, including searching over a wider area for potential rapid infiltration sites. New pumps were installed in the Erin Lane Pump Station by R. H. White Construction Company.

Water Division: The total water production for the Year 2002 was approximately 115-million gallons (*i.e.*, approximately 315,000 gallons per day on an average basis). Eight breaks were repaired, mostly on service lines. Three new hydrants were installed. 105 meters were replaced. New meter-reading equipment and software were procured. Nine monitoring wells were installed around Turnpike Well to help assess the long-term yield of the wellfield. Final design was initiated for the replacement of water lines within the Duval Cooperative Manufactured Home Park. Engineering studies to develop a new water source continue.

REPORT OF THE RECREATION DEPARTMENT

Another year seems to have escaped us and flown by! I am amazed each June with the Conant High School graduation, how fast the youth of the community grow. It seems just yesterday when many of the graduating class participated in the Saturday morning programs for basketball and soccer. Now, many of these young adults are volunteering their time for our programs in the Recreation Department. That is one of the things we should all appreciate here in Jaffrey. It is what keeps Jaffrey alive and well, that commitment from residents, schools, and businesses. Congratulations to us all, and keep up the good work.

In the Recreation Department, Hank Dombrowski relocated to South Carolina in August for another Recreation position. We were fortunate to add to our team Chris Wuorinen, a recent graduate of Western New England College with a degree in Business Administration and Sport Management. Alan Morris, Kathy Batchelder, and Janet Sullivan keep the office running and the facilities in top shape.

This past year was filled with activities for all ages. Our travel program continues to grow, and we hope to expand it even more if we can secure a 15 passenger vehicle. Youth programs continue to grow and we are extremely grateful to our volunteer coaches in the soccer and basketball programs. The Spring season, the Summer programs were packed with activities, including swim lessons, A.I.M. Day camp, Adventure Camp, Basketball Camp, Soccer Camp, Monadnock Oldies Car Show at Humiston Field, and the town beaches at Lake Contoocook and Thorndike Pond. We hosted Babe Ruth Baseball Regional and Invitational Tournaments and Babe Ruth Softball. And if that wasn't enough, the John Morgan Run was successful and we added a new Summer Golf Tournament at The Shattuck. Fall was a ghoulish time with the Haunted Hay Ride, Window Painting, and the Halloween Party. Winter is always special with the annual Tree Lighting, Craft Fair, Letters To Santa, after school Ski Programs, and the Winter Break Activities. The Ice Rink at Humiston Field was heavily utilized when the weather cooperated.

The Recreation Department also is now performing additional duties for the Town. We are now responsible for setting up for elections, town meetings and other special functions at Pratt Gymnasium. In addition, we now clear all snow on the sidewalks for the town facilities, welcome center parking lot, and Contoocook Beach parking lot.

In the upcoming year, we will be working with the committee that is working toward the Jaffrey Child and Family Center to be housed in the downtown area. With the addition of a 15 passenger vehicle, we will concentrate on expanding the travel program to include white water rafting and ski trips for young adults. Other trips will be to sporting events and special shows. The Senior Group would benefit greatly from this vehicle, as we could offer more trips and not have to incur the expense of renting a large bus and driver. We are also exploring the possibility of constructing a batting cage next to Humiston Field. New netting and fence will be added at Humiston Field and the beach facilities will be improved with a new roof at Thorndike Pond's picnic pavilion and landscaping at Contoocook Beach. The playground equipment at Humiston will be repainted as will the Recreation Department office and garage. So, we plan on a busy 2003.

As always, the Recreation Department is here for YOU. Any questions or suggestions, please feel free to call, drop us an e-mail at jaffreyrec@town.jaffrey.nh.us, or drop by our office at 31 Howard Hill Road.

It takes people to make the Recreation Department function. Our staff must depend on a large amount of volunteers and part time staff to make our programs work. Our volunteers and supporters do not ask for or expect rewards, other than the satisfaction of providing guidance and leadership for others. All things considered, that is a pretty good reward!

REPORT OF THE REGIONAL PROSECUTOR

At the time of this writing, we anticipate being moved into our office in the new Jaffrey/Peterborough District Courthouse by the middle of February 2003. Although gearing up for the move and settling in thereafter will require extra work on everyone's part, the towns and police departments served will suffer no reduction in the quality of prosecution.

During 2002, we opened and closed 1,317 cases collectively for all four police departments. The majority of contested court matters (*i.e.*, those that go to trial) fall into three categories. Defendants charged with driving while intoxicated (DWI) or domestic violence-related assaults come from every point in the community's socioeconomic spectrum. Because of the penalties for and other ramifications of convictions for these offenses, many people charged thus (at least initially) enter pleas of "not guilty." The other type of offense that seems to produce a disproportionately high number of trials is motor vehicle or traffic violations. In these cases, very often the person charged with speeding or some other infraction is not so much concerned with paying the fine as with the potential to have "points" assessed against his driving record.

I have had the opportunity to meet hundreds of area residents in court, as defendants, victims, or witnesses.

I welcome any citizen (with or without an invitation to come to court!) to visit us in our new office or to call with whatever questions he may have about the workings of the criminal justice system.
